

## Greetings from Cape Cod

The Stone Family and Lighthouse Inn look forward to welcoming you back or for the first time to A True Oceanfront Cape Cod Classic!

## Celebrating 70 years!

As the warmer weather draws near so does the opening of our 70th season. During the winter months many new upgrades such as new roofs and shingles, painting of the interior of the Lodge, replacing the fire boxes in the fireplaces kept the maintenance team busy. Bridgette put her finishing touches to the guest rooms with new artwork. She also went back in history and added to our historical wall in the Lower Deck. Many staff members are arriving back for another season and look forward to welcoming familiar faces and new guests to the Lighthouse Inn!

## Chef Paul's Corner

Each month watch our "New Website" for a culinary delight from Chef Paul Beaton. Paul has been the Executive Chef at the Lighthouse Inn for 15 years. Some of Paul's favorites at the Lighthouse Inn are the Cashew Encrusted Halibut, Scallops Nantucket and Seafood Napoleon. When you are staying at the Lighthouse Inn make sure to visit the gift shop where you can purchase Paul's Cookbook and take home some of your favorites. Bon Appetit!
